

## FEBRUARY NEWSLETTER - PRE-K CLASSES

Our shape unit was a success and fun as well. Keep working with shape games and activities to reinforce what they have learned. We move into February with a unit about fairy tales, celebrate Valentine's Day, followed by a favorite unit about dinosaurs.

**February 8** is Bedtime Story Night from 6:30-8. Each child can be accompanied by 1 parent. Everyone comes in pajamas for a night of fun stories and activities. Sign up is in the hallway.

**February 13** will be our Valentine's Day celebration. PLEASE HAVE YOUR CHILD BRING IN VALENTINES FOR EACH CHILD ON FEB. 13. DO NOT LABEL THESE WITH NAMES AS IT IS TOO HARD FOR THE CHILDREN TO PASS THEM OUT. THERE ARE 36 STUDENTS IN THE AM CLASS, AND 16 STUDENTS IN THE PM CLASS.

**There is no school on Feb. 20.** I will begin the Gesell assessments this month and will be meeting with parents to discuss the results. *It is really helpful to have parent volunteers these next two months, as I am out of the classes doing testing. Please try to keep your helper days if possible!*

Our artist of the month is Monet, and our author is Martin.

We hope your mid-year evaluations and conferences were helpful. If you have any questions, please see the teacher or Mrs. Lloyd. Make sure that if you are considering T-K for next year, you sign up soon. Also, please consider the Kindergarten Enrichment program. It is really worthwhile and you can sign up now even if you are not sure whether you will need am or pm.
